God is:

Loving: We believe that God is a personal God, not a distant one. He has a personal relationship with His people; we can see this through God's calling of Abraham, God called him to be the father of His people. Through Abraham God brought about the salvation of Israel.

Perfect: God cannot be the source of evil and good. We are agreed in the area of God's perfection. How can a perfect God create imperfect beings? Creation was made perfect, man made in the image of God. Man sinned through the instigation of the devil and thus through Adam all men are born sinful. This sinfulness is inherited and we can only be made clean through the washing away of sin, done by Jesus Christ's perfect sacrifice. This is why Jesus death is necessary and therefore the basis of the entire Christian faith.

Perfectly Holy: Since God is Holy, He can't cause us to do evil. He is a perfect God who hates sin, why would He cause man to sin? Rather we are born in sin because of our original sin through Adam. God is also just, He sent us His Son Jesus. Muslims and Christians are agreed that God forgives our sins, but His justice requires payment. We believe that this justice was satisfied through the sacrifice of His perfectly righteous, perfectly Holy and blameless Son.
